Join us

on a luxurious, exhilarating, and fun journey across Malaysia's most treasured and conserved urban & rural landscapes across 7 days and 6 nights in September 2023, with a percentage of proceeds going to saving the last Malayan tigers, now critically endangered.

Indulge yourself in some of Malaysia's most inspiring and exotic sights, sounds and tastes, a truly exciting and memorable sensory experience.

The Malaysian Odyssey, providing the perfect balance of amazing curated events and experiences whilst ensuring plenty of time to simply unwind and soak in the atmosphere at your own pace.

Let the journey begin

Arriving at KL international airport be transferred by limousine to down town Kuala Lumpur where a warm welcome awaits you at the Magnificent **Majestic hotel**, long term partners of Save Wild Tigers. Built in 1932 the has been totally restored and is one of the great hotel landmarks in Kuala Lumpur.

Staying for 1 night in a stunning suite in the historical Majestic wing of the hotel, soak up the colonial era atmosphere in your luxury suite and enjoy the pool and spa facilities. A sparkling cocktail reception and dinner at a surprise location in Kuala Lumpur awaits you.

Moving on

(via premium suv's) to the thriving island state of Penang for 3 nights and its buzzing creative capital George Town, a UNESCO world heritage site, checking in at the historical **Eastern & Oriental Hotel** into a sumptuous ocean view suite in the recently renovated heritage wing. The Hotel originally was built in 1835 by the Sarkies brothers who went on to build Raffles in Singapore 2 years later.

A light buffet lunch awaits you upon your arrival at the Eastern & Oriental Hotel

A woman with long dark hair, wearing a dark blue sports bra and black leggings, is sitting in a meditative lotus position on a large, mossy rock. She is looking towards the left. The rock is part of a larger formation on the right side of the image. In the background, a waterfall cascades over a series of rocks into a pool of water. The surrounding area is a dense, lush jungle with various types of trees and plants, including a large pandanus tree on the left. The lighting is bright and natural, suggesting daytime. The overall scene is peaceful and serene.
